

# DOUBLEBACK

## TASTING NOTES

*Dark ruby in color, this wine takes time to unfold but screams of where it is grown – two sites in tons of basalt. McQueen with fractured basalt, and LeFore with rolled river rock, there is iron and petrichor leading aromatically with blueberry, eucalyptus, and freshly ground coffee. This wine is true elegance wrapped inside power with more blue fruit, a beautiful sweetness, and large, broad tannins. Watch this wine intellectually unfold over hours or days. Drink 2025 through 2040.*

## NOTEABLE MENTION

*There are healthy and seductive aromas on the nose along with succulent black plum, spiced cherry compote and blackberry skin before elegant brown baking spices lift out of the glass with resinous red and purple flowers. Full-bodied, big and juicy, with plenty of oak, the palate offers a fine mineral tension, harmoniously balanced fine-grained tannins and succulent acidity. Bravo!*
