TASTING NOTES

This was a fantastic vintage in the Willamette Valley and this wine hails from our two favorite regions- Ribbon Ridge and Eola-Amity Hills. Slightly darker in color than our estate, this wine is screaming of fresh blueberries, black tea, and hints of forest floor and fennel seed. Again, soft, chewy and sweet tannins, great acid, all building to a larger and long finish. Decant to drink now and drink through 2038.
