2024 ELIZABETH CHARDONNAY

TASTING NOTES

I am stoked to be able to offer Elizabeth from our own estate vineyard, Coulee, in the Willamette Valley for the first time. As winter temperatures hurt us in Walla Walla in 2024, by good fortune, we were able to quickly pivot to some of the best Chardonnay in the world with this wine. Lemon zest, fresh cut pears and apples, honey dew, and ever so subtle hints of hay. This site is so complex in its' ability to grow great Chardonnay. Texturally fresh, energized, and balanced by a great mid palate. A versatile wine in being perfect for food- lunch, dinner, or maybe even breakfast if you must! However, the wine easily stands alone to be enjoyed without food as well. Enjoy!

Josh McDaniels

CEO & Director of Winemaking

APPELLATION

Willamette Valley

VINEYARD SOURCES

Coulee Estate
