2018 STOLEN HORSE SYRAH

I believe this new Syrah is a staff favorite of ours and I couldn't agree more. Hedonistic, this wine jumps out of the glass with blue and black fruits, lots of smoked meat and wild game, menthol, and a small touch of minerality. This wine was aged in concrete, 500L puncheons, and small French oak barrels for 17 months. Balance, richness, immediate gratification but with enough stuffing to age gracefully. The wine is fresh and alive on your palate - a great representation of three very distinct Syrah sites blended together. Very fun to watch our Stolen Horse vintages get better and better.
